

NetGenSoft vision is to enrich the quality of telecom products by leveraging our experience and expertise in Test and Measurement Products over 6 years.

Test and Measurement

1. Power Supplies
2. Network Taps
3. Power Distribution Units
4. Optics
5. Optical Modules
6. Cables
7. Clock Generators
8. Timing Generators
9. Accessories

1. Power Supplies:

- AC Power Supplies
- DC Power Supplies
- Bench Power Supplies
- Modular Power Supplies
- Electronic Loads

2. Network /Ethernet Taps:

3. Power Distribution Units:

- Basic PDU
- Intelligent PDU
- Switched IP-PDU with entire PDU level metering
- Switched IP-PDU with outlet level metering
- 19" Horizontal IP-PDU
- Switched INLET-PDU with entire PDU level metering
- 19" Horizontal INLET-PDU
- Energy Saver IP-PDU

4. Optics:

- Fiber Optical Switches
- VOA(Variable Attenuators)
- Amplifiers
- IL/RL/PLD testing Platform
- Light Source
- Power Meters

Fiber Optical Switches:

Optical switches for both single and Multi-mode with FC, SC, LC, E2000, ST, SMA, MPO and customer-Specific Connectorization.

VOA (Variable Attenuators)

RL/IL/PLD testing Platform

Amplifiers

1. O band (1.31um) PDFA
2. S band (1.48um) TDFA
3. C band (1.55um) EDFA
4. L band (1.58um) EDFA
5. Bench-top Type Optical Fiber Amplifiers(O,S,C,L Band)
6. Rack Mountable Type Optical Fiber Amplifiers

Light Source

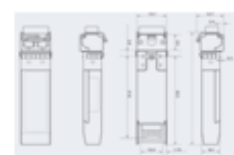

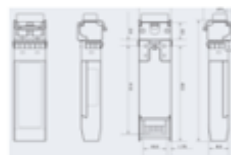

Power Meters

5. Optical Modules:

- Optical Transceivers (10G/40G/100G SFP/SFP+/QSFP+/QSFP28/CFP/CFP2)
- GPON OLT GPON SFP, WDM BiDi 1490TX/1310RX, C+ SMF 40km, OC-48 DDM
- Smart Coder and Smart Coder+ Efficiently and reconfigure optics in the field
- MTP/MPO Modules
- Splitter Modules

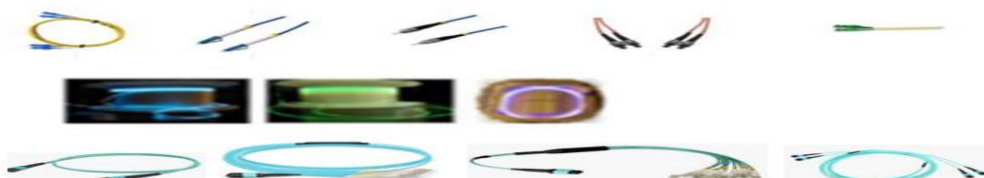

6. Cables:

- Optical Cables
- Copper Ethernet Cables
- BNC cables

Optical Cables

1. SC,LC, FC, ST ,E2000
2. ZB LAN fiber & cables
3. MPT/MPO Cables

Copper Ethernet Cables (Temperature Up to 80 C)

1. Category 5e UTP Patch Cords
2. Category 6 UTP Patch Cords
3. Category 6A UTP Patch Cords
4. Category 5e FTP Patch Cords
5. Category 6 FTP Patch Cords
6. Category 6A FTP Patch Cords

BNC cables

All types of BNC cables like (Male to Male, Female to Female, Male to Female) ,Micro BNC and Mini BNC of all Varieties and length is available.

7. Clock Generators:

8. Timing Generators:

9. Accessories:

- Optical Attenuators- SC,LC, FC, ST ,E2000,Field Installable Connector (FIC)
- Optical Adapters- SC,LC, FC, ST ,E2000,Field Installable Connector (FIC)
- BNC Connectors
- Network Emulators
